Biographical Information:

I have lived in Wellington since July 1997. I am a retired accountant and my wife is a special education teacher. We have one daughter and one granddaughter. I am currently serving a one year term on the Wellington HOA Board of Directors.

Reasons for Wishing to Serve on the Board:

As a resident of the community since 1997, I have seen many changes in the community. In recent years, I was vocal about the Board of Directors and the direction the community was moving in. During the past year, I have served on and worked with the current HOA Board of Directors. I believe the community is moving in a positive direction. Items in the community that had not been addressed in recent years are being addressed. I would appreciate your vote so that I may continue to work with this board.

Issues of Particular Interest:

Issues of particular interest to me include: a well-run pool, fully funded reserves, and covenant enforcement.
